

## **International Day of Peace 2021**

**Mr. Hoi-chang Kwon**

Mr. Hoi-chang Kwon is a junior at Hanong Global University in Pohang, South Korea. In his university life, he is the secretary-general of UNAI ASPIRE Korea, a youth organization with about 150 students from eight universities. He is majoring in business administration and psychology in university.

He has been active in UNAI ASPIRE Korea for five years since he was 20.

Based on his learning and learning of SDGs 17, he is working hard to spread global citizenship education by carrying out active campaign activities.

He firmly believes that young people who will lead future generations will know and act on various problems occurring in the world will create a better future. Looking at the recent interest and response of all walks of life regarding ESG and carbon neutrality, he is realizing that his thoughts were correct
