

## **International Day of Peace 2021**

**Ms. Yeon-Gyum Kim**

Ms. Yeon-gyum Kim majors in business administration and cosmetic science at Dongduk Women's university in Seoul, Korea. She is a leader of KUSA, Korea UNESCO Student Associations. She is working for KUSA 3 years. They are creating some campaigns that is associated with UNESCO. She wants to communicate about everything sustainable, that could make the world best way.

She has the point that Gender issue must be addressed for the better world. She doesn't think avoiding sensitive debates can be the answer anymore. So, through this discussion, she wants to share the twenties' thoughts and inform the seriousness of the situation.

International Day of Peace (September 21)
